SUMMARY

Results-driven MERN Stack Developer with hands-on experience in designing, developing, and deploying full-stack web applications using MongoDB, Express.js, and React.js. Strong problem-solving skills with a passion for building scalable, user-centric, and high-performance applications. Adept at working in collaborative environments and delivering clean, maintainable code aligned with business goals.

WORK EXPERIENCE

Octet Solutions & Institute, Lahore

Jun 2025 - Dec 2025

- Completed hands-on training in full-stack MERN development, covering both frontend and backend application workflows.
- Developed dynamic and responsive user interfaces using HTML5, CSS3, JavaScript (ES6+), React.js, and modern UI libraries Like Material UI and Ant Design.
- Built RESTful backend APIs using Express.js and connected them with frontend components.
- Designed and managed MongoDB databases using Mongoose, implementing complete CRUD operations.
- Ensured mobile-first design, cross-browser compatibility, clean code practices, and API testing using Postman & Git.

PCI Learning, Lahore

Jun 2024 - Nov 2024

- Developed responsive, user-friendly web pages using HTML5, CSS3, JavaScript, and Bootstrap.
 - Applied best practices in UI/UX design to enhance overall usability.
 - Gained hands-on experience in HTML5, CSS3, JavaScript, and Bootstrap through practical application.
 - Created digital animations to enrich user engagement.
 - Constructed multiple mini-projects to refine problem-solving and coding abilities.
-
